because kids can't fight cancer alone

Carson Leslie was the son of Beck's Craig Leslie and his wife Annette. He lived a life of courage, honor and fullness in every sense of the word. Through his battle with cancer he had an incredible impact on his friends, school, church and community.

Our fundraising efforts are meant to honor Carson and his family, with proceeds going to the Carson Leslie Foundation. The Foundation is dedicated to raising funds for research leading to a cure of pediatric cancer and enriching the lives of pediatric cancer patients.
