___ our donation is enclosed

___ our donation is gigantic, please make arrangements to pick it up!

Please return a copy of this receipt with your donation and keep a copy for tax purposes!

Brain cancer is the deadliest disease of our nation's children, and medulloblastoma is the most prevalent. So, on behalf of our Board of Directors, our researchers and most importantly, the VIP's (Very Important Patients), thank you for fighting for the smallest and most innocent brain cancer patients among us.
