

YOUNG MAN WITH THE GOLDEN GUN CLAY SHOOT

Friday, June 18, Dallas Gun Club 10a-5:30p

When Carson wasn't long for this world he announced that he wanted to leave "something remarkable behind" and asked to visit Reid at Ray's Sporting Goods. It didn't take him long to zero in on this 24K (gold plated) Desert Eagle.

Three days before he took his last breath, Carson walked out of Ray's, the Young Man with the Golden Gun.

By that time, his frail body was way too weak to shoot his beast of a gun, but look at that smile, he was proud of his purchase **Never having the chance to shoot his Golden Gun, we invite you to shoot the young man's Golden Gun, and raise funds honoring his last whispered wish, "study those those tumors in my brain .. and help the next kid with cancer."**
