

YOUNG MAN WITH THE GOLDEN GUN CLAY SHOOT

Tuesday, June 7, Dallas Gun Cub 10a-5pm

When Carson's days were few, he said he wanted to leave 'something remarkable behind' and asked to visit Ray's Sporting Goods. It didn't take him long to zero in on this 24K (gold plated) Desert Eagle, thus becoming **the Young Man with the Golden Gun!** By then, his frail body was *way* too weak to shoot his new beast of a gun, but look at that smile, he was sure proud of his purchase.

You're invited to shoot the Young Man's Golden Gun to honor his last whispered wishes, 'study those those tumors in my brain and help the next kid with cancer.'
